IFEA IMMEDIATE PAST PRESIDENT REPORT 2021

BOD Meeting and AGM

Sunday, September 18 and 25, 2021

On line

Dear Colleagues,

I would like to say that it is a very much privilege and a great honor for me to have the opportunity to serve as the Immediate Past President of our Federation since 2020.

Speaking on the 12th World Endodontic Congress (WEC) 2020 in India, it was another special feature of IFEA with such successful and fruitful outcomes online in this unusual Covid 19 pandemic situation. In the name of us all, I would like to thank all organizing people, participants and sponsors. I and Dr. Catherine Ricci, our President worked online so closely and precisely with the Local Organizing Committee for its great online Congress. Dr. Anil Kohli the Congress President and Dr. Gopi Krishna, the Congress Secretary and all Local Organizing Committee members are to be complimented for their successful achievement in 2020 and ongoing great effort for the online Congress this year in 2021.

Following the 2020 on line Annual General Assembly Meeting held in September 2020, the Immediate Past President have worked with the Executive Officers in many things including Minutes of the meetings, banking access, membership payment, and the progress of 12th WEC *et al*. Fortunately we have been able to step forward in banking matters and membership payment matters. Without desperating effort of our Executive members and continuing and active support by Joe and Karen Maggio and Sam Dorn, it would not be possible. I very much appreciate them.

As the person who invited a sponsoring company, I thank B & L BIOTECH for its generous and continuing sponsorship. The website would not be possible without its support.
